		wellbeing and a reduction in behavioural issues – see individual logs.
Training for staff		
Emotional Health and Wellbeing training and release time for subject co-ordinator	£1500	Staff member has been able to support children with emotional needs and therefore reduce need for outside agency involvement.
Enrichment		
Funding of after school clubs e.g craft clubs, sports clubs, Karate, Subsidised funding for Robinwood residential to allow all pupil premium children in Year 6 to attend. Subsidised transport cost for trips to allow pupil premium children to attend.	£1000 £1000 £2000	All pupil premium children attended at least 1 club throughout the school year and were given the opportunities to attend any clubs if they wanted. See Essential Life Skills Data. Pupil Premium children attended Robinwood and had a range of different opportunities. Financial support towards the Y6 residential from which the children further built on their confidence and appreciated learning new skills...just outside their comfort zone! (See Y6 teacher to hear individual and specific evidence). This also gave our PP children the opportunity to experience Outdoor Adventure which they may not have had the opportunity without this focused PP funding.
	Total expenditure £39,200.90	
Date of review of Pupil Premium Strategy – July 2019 by SLT
