

St Agnes Primary School - Pupil Premium Strategy 2019-2020

Brief Explanation about the Pupil Premium

Pupil Premium is an allocation of Government money, which is additional to main school funding, and is deemed to be one of the ways to address the current underlying inequalities between children eligible for free school meals (FSM) and their peers. Families whose children are in Foundation Stage and Key Stage 1, who are entitled to FSM, still have to apply, even though they are in receipt of a Universal Free School Meal.

The level of pupil premium in our school is used primarily for learning resources and support is targeted appropriately to raise levels of achievement, aiming for these children to be in line with their peers.

Pupil Allocation at St Agnes School - Use and Impact on Attainment

The 2019/2020 Pupil Premium allocation for St Agnes School is £47, 080

Number of children supported: 23 including 3 CLAs (Children looked after) and 2 Post CLA (Children looked after)

These funds are to provide staffing to support vulnerable and targeted learners, with intervention programmes and one to one support in reading, writing and mathematics. The funding is also used to ensure the pupil premium children are positively impacted not only through academic success but to also break down barriers for some of our PP children e.g improve attendance and punctuality, help to improve self-esteem, self-belief and become aspirational. All our pupil premium children will be fully equipped, smart and feel that they belong and will have the same additional/extra opportunities as NPP children.

Impact for the below expenditure will be measured termly through assessments of academic achievement and progress of Pupil Premium children. Social and emotional impact will be measured through evaluations of interventions, pupil and parental questionnaires and monitoring of pupils taking part in after school activities and non-academic areas of school life.

Barriers to learning and allocation of expenditure	Allocated costs	Intended Outcome/Impact
Teaching and learning interventions		
Reading, phonics and writing interventions in EYFS/KS1. (AR)	LSA to provided intervention 5 hours per week x 38 weeks – (11.85 per hour - £2251.50)	Pupils targeted for this intervention to make good progress. All children to make progress at least in line with national expectations. To aim for PP children to be in line with National Expectations.

<p>PSHE interventions in EYFS / KS1</p> <p>KS1 – Group tuition Specific Maths and writing that individual children find challenging.
