

# School Council Newsletter

## Litter Pick

As part of service week, the School Council came up with the idea for each class to do a litter pick and tidy up the playground. We decided that as part of our service to school, we would help Mr Mooney keep the playground looking lovely and tidy. Last week, each class took part in their own litter pick and collected lots of litter! We need to make sure that we keep our playground tidy and free from litter, so if you have a snack at playtime, please put your rubbish in the bin!

## Defibrillator Cabinet

Last Friday, Alicia Marland (Oldham Councillor for Saddleworth West and Lees) and Ian Brett (from the Rotary) visited to see our new defibrillator cabinet that has been donated to put our school's defibrillator in. The cabinet has been placed on the church wall so that it can also be accessed by the community.

## Break the Rules Day!

The school council came up with a genius idea for raising money for school – a 'Break the Rules Day'. Children could pay 50p per rule to break as many rules as they wanted. There were some crazy hairstyles, ties being worn around heads and some children even ate their pudding before their lunch! With the combined money from the Easter hat competition we managed to raise an amazing £199 for our school! The school council will now decide how we want to spend the money.

## Watch This Space!

As part of School Council, we have been tasked with coming up with some fundraising ideas. We discussed this in one of our meetings. Some of our ideas were:

- Coffee morning
- Foodbank collection

Dates to be confirmed, but they will be advertised on the Friday Note.
