Year 6 Leavers Service

Year 6 and staff attended a special Leavers Service at Manchester Cathedral on Tuesday. It was a lovely service and we were very proud of all the children for their excellent behaviour and representation of our school. A special mention goes to Jack, who read during the service too. After the service, the children had fun at Tree Top Golf where they undertook the crazy golf course and ate pizza. A fun day was had by all despite the transport challenges!

Oldham Foodbank

The School Council thank you for all your kind donations for the Oldham Foodbank. They will be collected and distributed amongst vulnerable families in Oldham.

Father's Day Sale

Thank you to all who supported the Father's Day sale this afternoon. We hope all Dads and Grandads have a great day on Sunday.

Change of payment system

As you know our current school payment system, PAY360, is being withdrawn from **19th June 2023** and School Gateway is being introduced. This is a parent/carer app that will allow you to pay for pupil meals, ties and school trips. Please do not make any payments onto the old system. From Monday (19th June) you will be able to download the School Gateway app and then make payments. Login details will be the first contact's email address and mobile number. Any queries, please contact the school office.

Data Protection – Parent/Carer consent form

Thank you to everyone for the prompt return of the new consent forms. This has made the transition to the new payment system a smooth one.

Phonics Screening Check

Well done to all the children who took part in the Phonics Screening check this week. We are very proud of them! Parents will receive the results in the school report.

Multiplication Check

Well done to the children in Year 4 who undertook the Multiplication Check this week. They have all worked very hard over the last two years in preparation for this. Parents will receive the results in the school report.

Reflections of Collective Worship from Class 4

This half term the children are considering the value of Trust. Sienna and Jakobe said that when you trust someone you feel safe with them. During assembly this week, they have learned about Moses leading the people out of Egypt. Moses put his trust in God when he received God's message even though he had some doubts.
