

Week 1

- To count forwards and backwards to 10.
- To subitise to ten.

Week 2

- To explore composition to ten e.g. $3+3+3 = 9$
- To display 9 and 10 on a tens frame.
-

Week 3

- To make comparisons and compare quantities to ten.
- To explore number bonds to 10 in different contexts.

EYFS Number/Numerical Patterns

Medium Term Planning

Building 9 and 10/Consolidation

Spring 2

Week 4

- To know the names of 3D shapes.
- To talk about similarities and differences of 3D shapes.

Week 5

- To explore more complex repeating patterns with 3 units of repeat e.g. ABB, AAB.
- To create patterns in straight lines and around the edges of shapes.

Week 6

Consolidation
