

Get involved in Oldham's **Holiday Activities and Food** programme

As part of our ongoing efforts to support families during the school holidays, we are providing free activities for children aged 5 to 16 across Oldham through the winter, Easter and summer holidays.

Oldham's Holiday Activities and Food (HAF) programme is a package of support for children and young people on benefits-related free school meals and is funded by the Department for Education.

From cooking sessions and arts and crafts to indoor and outdoor sports, drama, and dance, we have a wide variety of enriching activities available for you to enjoy in partnership with our local providers.

As part of every session, children will also receive a healthy meal alongside plenty of interesting and useful nutritional information to take home too.

For more information on Oldham's HAF programme, please visit www.oldham.gov.uk/HAF
