

# School's Out Take an emotional health check

Head into the summer with a better understanding of your **child's brain development** and their **emotional wellbeing** as you support them into their next new phase.

## FACT

Our brains develop most rapidly in childhood shaping our emotional health and wellbeing for the rest of our lives.

## HERE FOR YOU

Online courses developed by clinical psychologists can help you to **understand your child, read their behaviour and help them look after their emotional health.**
